

Job Opportunity: Automotive Technician Journeyman

Easy Pro Mechanical Services, a sister company of HINO Central, is searching for a **Permanent Full-Time Automotive Technician Journeyman** to join the team at our Edmonton location: 17431 102 Avenue Edm, AB.

Our employees enjoy:

- Full time, steady employment in a team oriented environment and the opportunity to work in a company that is growing across Canada
- Industry-leading benefits including health, dental, vision care and an RRSP program. Our group health plan includes additional services such as physiotherapy, massage therapy, chiropractor visits, acupuncture treatments and more!
- Professional development opportunities
- Competitive compensation

Technician duties will include but not limited to:

- Assess work orders, diagnose faults and malfunctions by examining the vehicle, using testing equipment, and carrying out test drives
- Dismantle faulty assemblies and repair or replace worn or damaged parts
- Reassemble, adjust and test new or repaired components
- Perform scheduled maintenance services such as oil changes, lubrications, and tune-ups
- Advise others on work performed, general vehicle conditions, and future repair requirements

Qualifications:

- Excellent communication and organization skills
- Opportunity to give back to the trade by mentoring apprentices
- Strong mechanical aptitude and have the ability to handle multiple tasks
- Experience with performing wheel-alignment considered a strong asset
- Red-Seal Certification as a Journeyman Heavy Equipment Technician
- Valid CVIP license (or qualifies to obtain one)
- Good all-round knowledge of the automotive industry, part of your experience preferably being with an OEM affiliated dealer.

To apply, send your resume and cover letter directly to recruitment@hinocentral.com and reference **job req #1138**. We appreciate your interest in the position, however, only individuals selected for an interview will be contacted.
