- Full time, steady employment in a team oriented environment and the opportunity to work in a company that is growing across Canada;
- Showcasing their positive attitude and receiving recognition for the hard work that you do;

### Technician duties will include but not limited to:

- Have excellent communication and organization skills;
- Have the opportunity to give back to the trade by mentoring apprentices;
- Have a strong mechanical aptitude and have the ability to handle multiple tasks;
- Assess work orders, diagnose faults and malfunctions by examining the vehicle, using testing equipment, and carrying out test drives;
- Dismantle faulty assemblies and repair or replace worn or damaged parts;
- Reassemble, adjust and test new or repaired components;
- Perform scheduled maintenance services such as oil changes, lubrications, and tune-ups;
- Advise others on work performed, general vehicle conditions, and future repair requirements;

### Qualifications:

- Red-Seal Certification as a Journeyman Heavy Duty Technician
- Valid CVIP license (or qualifies to obtain one)
- Good all round knowledge of the trucking industry, part of your experience preferably being with an OEM affiliated dealer.
